1 sentence summary
on GOOS paper
as a table group

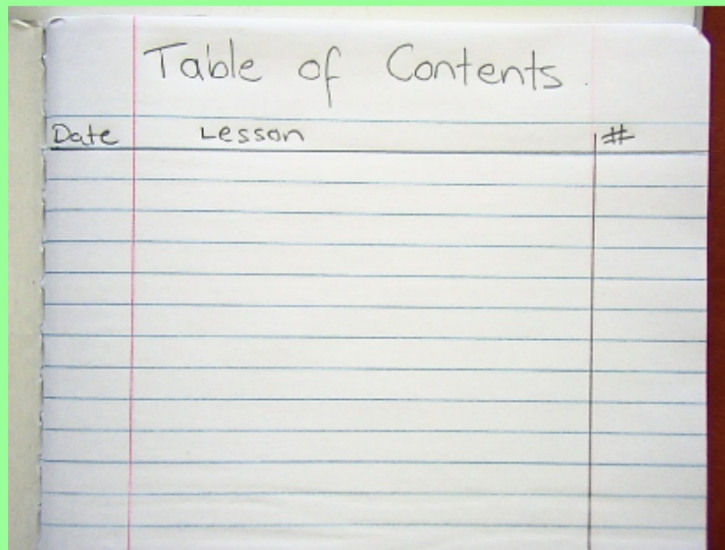

Learning

Target: I can understand that science is in our everyday life.

Journal set up!

You need a journal, a pencil and a ruler.

(you can borrow a ruler from the box by the screen)

The image shows a notebook page with the title "Table of Contents" written at the top. Below the title is a table with three columns: "Date", "Lesson", and "#". The table has several empty rows for entries.

Date	Lesson	#

- ★ Sit up
- ★ Track the speaker
- ★ Ask questions
- ★ Respect your peers
- ★ Stay focused

Learning
