Paperclip Investigation

#4

Agenda

-Finish the pink sheet and score
- plan an investigation

Exit Task

Plan your investigation to the diagram

Take out the pink sheet and quietly complete/review your answers.

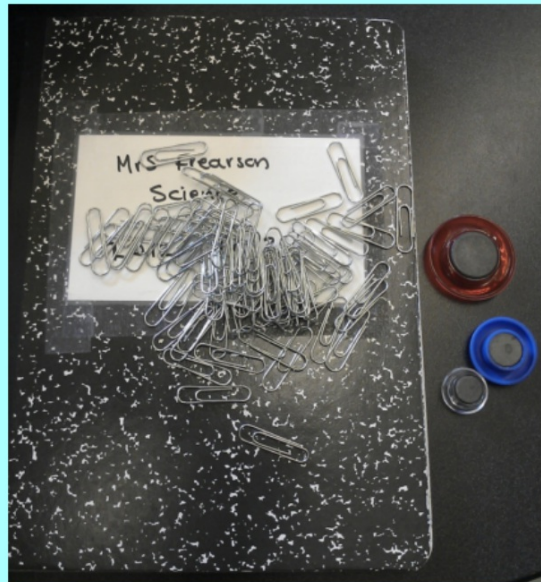

10 mins before we score together

Learning target:

I can plan a scientific investigation from a problem scenario

-  Sit up
-  Track the speaker
-  Ask questions
-  Respect your peers
-  Stay focused

Mrs Frearson made a mess by spilling paper clips on her journal. She is a very busy person and needs to pick up the paperclips in the most efficient way.

Write the question for the investigation that would help her to make the best decision.

Learning target:

I can plan a scientific investigation from a problem scenario.

-  Sit up
-  Track the speaker
-  Ask questions
-  Respect your peers
-  Stay focused

Question

Hypothesis

Variables

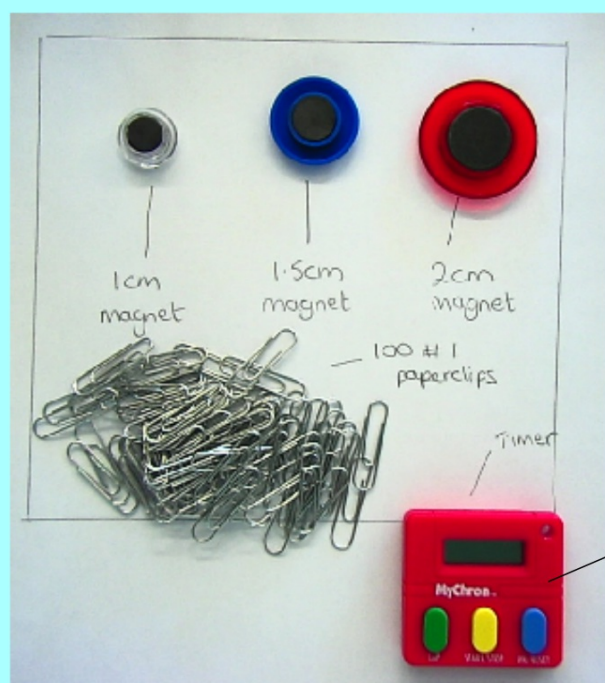

Materials

Learning target:

I can plan a scientific investigation from a problem scenario.

-  Sit up
-  Track the speaker
-  Ask questions
-  Respect your peers
-  Stay focused
